

We SELL TRUNK SERVICE

Buy the Indestructo Trunk and Luggage

We believe that when one buys a trunk the trunk question should be settled for at least the next five years. With every Indestructo trunk we sell, we are prepared to give the purchasers an insurance

policy guaranteeing the replacement of his trunk in case of total loss or destruction and the free repair of it in case it is not totally lost or destroyed. A guarantee of this sort is, we believe, the strongest argument we can offer. When you buy an Indestructo trunk you can depend upon it that your trunk troubles are settled for five years. Can you afford to buy a trunk which will do less?

We are showing a fine variety of Bags and Suit Cases from the best of leathers in many styles.

The "Kiddies" Know Good Soda

Did you ever watch the little folks and notice to what degree they are governed by impulse? They are quick to form likes and dislikes and to make comparisons by mere instinct.

We enjoy a large share of the children's trade in this community because they like our courteous treatment and prompt service.

But when they come to the Soda Fountain it is because they know what delicious drinks we serve. Our Soda Water has a charm that brings people—children and grown-ups—back again and again. It's made of pure materials, skillfully blended.
